BECKWITH'S ANTI-DYSPEPTIC PILLS

Have been most successfully employed in almost every variety of functional disorder of the stomach, bowels, liver, and spleen; such as heartburn, acid eructations, nausea, headache, pain and distension of the stomach, indigestion, flatulence, colic, jaundice, sickness, habitual constipation, loss of appetite, sick headache, sea-sickness, &c., &c. They are a safe and comfortable aperient for females during pregnancy and subsequent confinement; relieving sickness of the stomach, headache, heartburn, and many of the incidental nervous affections. Literary men, students, and most other persons of sedentary habits, find them very convenient. Those who indulge too freely in the pleasures of the table find speedy relief from the sense of oppression and distension which follow, by taking the pills. As a dinner pill, they are invaluable. Those who are drinking mineral waters, and particularly those from southern climates, and who are exposed to the vicissitudes of weather on voyages or journeys, can take them at all times with perfect safety. In all these cases they are a highly efficacious and safe antacid medicine. They seldom or never produce sickness or any other objectionable effects.

There have been many imitations and worthless counterfeits of these pills put in circulation by unprincipled and ignorant persons—the directions, wrappers, &c., of the genuine pills so closely and sensitively copied, that the public could not, without a trial of their effects, distinguish between them.

Dr. T. W. Dwyer & Sons, of the Columbia College, 131 N. 2nd street, Philadelphia, having undertaken, and been appointed, by Dr. Beckwith, sole agents for the United States, for the sale of the above pills, the public are informed that they can be supplied with the genuine article in any quantity at the same price as by the proprietor, by applying as above.

N. B. To guard against counterfeits, all the pills furnished by the sole agents, are put in dozen packages, with a blue engraved label. (White letters) 40 BECKWITH'S ANTI-DYSPEPTIC PILLS, T. W. DWYER & SONS, sole agents for the proprietor.

Certificates having for several years accompanied each box, and the public being now familiar with the kind of testimony in possession of the proprietor, he has thought it necessary to publish them, but simply to give a list of references (from among many) to gentlemen, who, from personal experience of the efficacy of the pills, are willing to recommend them to their friends.
